## UNITY

L'Arche Australia helps us belong to each other and the wider family of L'Arche. It is **REALLY** important that we work together. Here are the Things we want to work together on...

**ASSISTANTS.** It is important to have Assistants to share life with us. We want Assistants who can live with us for a long time

**NDIS.** We want to make sure everyone gets the right support from the NDIS

**MONEY.** We all have to help to raise the money we need.

An important way to do this is through "Share a Meal".

**ADVOCACY** We want to make sure that lots of different people hear from our members with intellectual disability talking about their lives. The National Listening and Speaking group is an important part of making this happen

**AGEING.** There are a lot of people getting older in our Communities. We want to help them stay strong and healthy and have a good life with us.

They have important things to teach us. We want to listen to them.

L'ARCHE®

**MEMBERSHIP & BELONGING.** We want to keep helping each other be a member of L'Arche. We want each person to grow. We want to help people become leaders. We want to make sure everyone understands what being a member means.
