

Could you be a regular donor to L'Arche Australia?

We are 1 country among 38 countries with L'Arche Communities in a Federation; we share a common identity in our daily lives and offer a shared message that everyone has gifts and we can be a sign of hope to the world.

Regular donors help us in L'Arche Australia to do the things that members with and without disability have agreed too in a 5-year plan, called our **Mandate**.

Some of these activities supporting life in Communities and growing new Communities are shown here and over 90% of donations are used to achieve the aims of our members.

Our spirituality is important. We want to have a forum where we can talk about it

We want to tell lots of different people about L'Arche and our life together.
We will do this face to face, speaking to groups and through social media

We want to make sure that lots of different people hear from our members with intellectual disability talking about their lives. The National Listening and Speaking group is an important part of making this happen

We thank everyone who donates regularly to L'Arche Australia - your donation assists us to enable our members with disability

- to attend retreats
- to have a voice on important issues
- to engage in outreach telling their stories
